

Longopac® Stand

– simply smarter

A bagging system
for efficient handling
of waste products

- Efficient
- Hygienic
- Environmentally friendly

For a smarter waste management

EFFICIENT

- Loaded with a bag cassette up to 110 m in length.
- New bag always in place.
- Bag always securely sealed.
- Quick bag replacement – saves time.
- Variable bag size for flexible replacement intervals.

HYGIENIC

- Bags are replaced and sealed from the outside – no contact with the waste.
- Spillages around the opening are collected by the next bag.
- Simple to clean.

ENVIRONMENTALLY FRIENDLY

- Longopac bags are manufactured from three-ply polyethylene – low material consumption and high strength.
- Also available: Longopac bags of compost-certified biodegradable plastic.
- Variable bag size always ensures bags are 100 % full.

Longopac Stand is loaded with Longopac cassettes and these are available in a variety of strengths and colors.
